

Prof. Paul Obo Idornigie, *SAN, FCIS, C.Arb*

BIRTHDAY CONGRATULATORY MESSAGE

I write to congratulate you on the occasion of a colloquium organized on Arbitration of International Trade and Investment Dispute tagged 'Rethink v Reform' to commemorate your birthday. You have reached a very significant milestone in life. The Corps is pleased to celebrate this magnificent chapter of the life of a great personality.

2. You certainly have every reason to celebrate and be extremely grateful because not too many men are blessed to reach this age in good health and great strength. May God continue to bestow blessings upon your life. I believe today will bring lots of great memories to your health because it is indeed your special day.
3. Let me on behalf of the Officers and Marshals of the Corps wish you well in your new age and looks forward to the pleasure of continuous partnership and strengthening of existing levels of collaboration. **Happy 70th birthday Prof!**
4. Please accept the assurances of my esteemed regards and highest consideration.

Dr. Boboye Oyeyemi MFR, mni, NPoM
